

Bring your message to the Midwest CMMC community by sponsoring the Conference!

Meet, greet, and get your message in front of some of the biggest players in the CMMC community with your sponsorship of CMMC Midwest Conference. While our attendees cover the full gamut of the CMMC ecosystem, CMMC Midwest takes special care to reach out to and attract OSCs (Organizations Seeking Compliance).

Fall 2026 will be the fifth CMMC Midwest Conference, and the first one outside Wichita. A new location brings in a new crowd and new opportunities, but with the same CMMC Midwest energy and some familiar faces.
